

# LINGESH G

Aspiring Cybersecurity Professional | Penetration Tester | Ethical Hacker

+91 8284444695 | glingesh59@gmail.com | linkedin.com/in/lingesh-g-3aa19b2b0

## SUMMARY

I am a passionate Cybersecurity Professional with hands-on experience in penetration testing, vulnerability assessment, and exploit analysis. I am skilled in network security, ethical hacking, and cybersecurity research. I have a strong foundation in tools like Kali Linux, Burp Suite, and Python scripting, along with practical experience from security labs like TryHackMe and HackTheBox.

## EDUCATION

**B.Sc. IT** (08/2022 - 06/2026)

Srinivasan College of Arts & Science

**12th** (04/2022)

Aringar Anna Higher Secondary School

**10th** (04/2020)

Aringar Anna Higher Secondary School

## CERTIFICATION

CEH (Certified Ethical Hacker) - In Progress, expected completion in 2025

TryHackMe / HackTheBox - Active hands-on Pentesting practice

## LANGUAGES

English - Proficient

Tamil - Native

## SKILLS

ASP.NET, Bash, Burp Suite, Cybersecurity, IDS, Java, Kali, Linux, Metasploit, Nmap, OWASP, Penetration Testing, Python, SQL, VPN, Wireshark, Python Scripting, Gmail, Kali Linux, Wi-Fi, TCP

## PROJECTS

**Vulnerability Assessment and Penetration Testing** (01/2022 – 12/2022)

- Practical work on cybersecurity projects
- Identified and patched high-risk flaws using Burp Suite
- Conducted WPA2 penetration testing with Kali Linux
- Built a Python tool to detect malicious processes

## INTERESTS

- ✓ Cybersecurity Hobbies – Engaging in bug bounty hunting and participating in ethical hacking labs
- Reading – Enjoy reading blogs related to cybersecurity and improving knowledge
- Games – Playing strategy and puzzle games to enhance problem-solving skills
